

# 5V™

## Residential and Light Commercial Roof Panel

# A *proven favorite*, popular for historical applications

This low-rib, exposed fastener panel is one of the oldest metal roofing profiles in the marketplace. 5V provides a classic appearance for residential, agricultural, and light commercial roofing applications. It is especially popular in coastal areas.

- Galvalume® - 29 ga. bare with 25-year substrate warranty
- Manufactured in select locations. Longer lead times may apply.
