

# SMP with Texture

Textured SMP paint system with matte finish

## Upgrade to Texture for a new *depth of color* and added *durability*.

The granular finish of SMP with Texture combines a matte appearance with shimmering tones to provide a depth of color never before seen on traditional metal panels. Choose Texture for a look similar to traditional shingles with the benefits of a metal roof.

For superior protection, make sure you choose Central Guard®, our specific combination of everything that goes into making the highest-quality metal panels. It is a guarantee that you have the best protection and a lifetime paint warranty. With Central Guard protection and SMP with Texture, you get a stunning metal roof to enjoy for a lifetime.

- Lifetime limited paint warranty.
- Mimics the texture of shingles.
- Reduces glossiness and glare often associated with metal roofing.
- More scratch resistant.
- More slip resistant during installation.
