

ADA Compliant

Central States Manufacturing is committed to assisting our self-storage customers in meeting

The ADA requires compliance for self-storage facilities based on the number of units: 5% for 200 units or fewer, and ten (10) units plus 2% for more than 200 units. Specific requirements for door pulls, signage and door tensions must be met.

Less than 200 units

More than 200 units

5% of total units

10 units +
2% of total units

ADA Kit includes:

- Placard in Braille
- Short graspable open latch pull (installed roughly 15-25" from bottom of curtain)
- Long graspable close latch pull (to hang no more than 40" above ground when fully open)

CLOSED ROLL-UP DOOR
FRONT ELEVATION
